A MESSAGE FROM YOUR PRESIDENT

Our 25th Anniversary Year is well under way and hasn't the time flown! By the time you read this Fig Tree, plans should be well in hand for our celebratory dinner by way of a dinner cruise on the Mighty Manning proposed for August 14th 2010. I do hope both current and former members will attend. A good time is assured and numbers are limited to 50.

Our fundraising continues, with PCYC Markets unfortunately falling by the wayside, however the Bunnings Barbecues are proving to be successful both financially and socially. Even though we require one cook, one wrapper, and one cashier at the foodstall at any one time, they do need a break and volunteers are required to give an hour or so to help out. The task is not at all onerous.

We have all but completed our check of resources and virtually eliminated the problems which had arisen.

Research enquiries are frequent and our Researcher, Gloria is doing a sterling job with many compliments received for her efforts.

Our membership is growing steadily with 164 members at time of writing. To all those new members, whether local or distant, a hearty welcome!

We recently held a tuitional family history workshop for GTCC Library Staff and this was well received. It was a forerunner to the special workshops entitled "Skeletons in the Closet" held for Seniors Week. Such was the popularity that all places were filled and a repeat workshop will be required.

Heritage Week in April is upon us and a display of all things old and interesting in the Library Showcase is planned. We have a 1940's wedding dress together with wedding photo of the day, an extensive family tree of an early district family together with an historic collection of old photos both static and slide show. These include early scenes of Taree and area together with well known personalities and even three generations of a family's wedding photos.

At a recent Saturday workshop, members were treated to a DVD presentation of "The Floating Brothel" which was well received and portrayed the harshness of prison sentences in the "Old Country", irrespective of age and the transportation of women felons to Australia. Some of these women enjoyed successful lives in the new Colony with one 12 year old transportee living to a ripe old age and leaving some 300 descendants! One of our members was delighted to learn of his direct connection to one of these women and the mention of her name in the film!

On a most serious and disturbing note, some recent disharmony within our Society has been discussed at a "round table" meeting and has hopefully been satisfactorily resolved. ALL future grievances or complaints are to be submitted in writing to the Secretary for open discussion and resolution at a formal meeting. The complainant MUST attend that meeting. This way the grievance is brought into the open and not subject to a whispering campaign which can get out of proportion.

We are essentially a very happy and co-operative Society and I want it to remain so. Personality clashes can occur occasionally in any organisation however I am sure we can rise above this.

To all members who are unwell, I wish a speedy recovery and hope to see you soon in our midst. Those researching family history, HAPPY HUNTING!

Sincerely
George Sawyer

PIONEER REGISTER BOOK 3: Forms for Pioneer Register Book 3 are available for download from the Society Website or can be photocopied from a copy on the Society Noticeboard in the Library.

SILVER ANNIVERSARY: Founding members and several long term members have been asked to contribute their memories of early days of the Society. These are being published in the Fig Tree during this year. Events planned for the celebration of 25 years include a Dinner Cruise on the Manning River and a display of memorabilia in the Taree Library.

LIBRARY DUTY: There are some spaces on the Duty Roster. Why not consider going on duty with a "buddy" who will help you learn the routine. It is not a difficult or arduous task. If you would like to help with duty or learn how to, please contact the Librarians.

MEMBERSHIP RENEWALS: Memberships are due for renewal at the end of June. A renewal form is attached to this newsletter for members. Please print it, fill it in and return it to the Society. By-Law 3 a (iii) states "A member shall be deemed unfinancial if fees are not paid by the Annual General Meeting." (21st August 2010). Please take a few minutes to complete the Continuous Improvement Questionnaire to give some guidance for the new executive after the AGM in August.

RAFFLE: Tickets are now on sale at the Library (\$1 each or 6 for \$5) for our Silver Anniversary Raffle. Prizes are Pearls (donated by Joanne Gorton), a voucher for a transcription agent, or a refund of one fare on The Cruise. If you would like a book please call in at the Library or contact the Secretary. Drawing will take place on 14th August.

NEW RESOURCES: Thank you to the Staff of the Greater Taree Library who have purchased resources at our suggestion. These include the latest publication by Dr CJ Smee "*Born in the English Colony of New South Wales 1788-1800*", and a collection of Coronial Inquests. These items will be shelved in the Library section outside the Society area and will be marked "NOT FOR LOAN".

"SKELETONS IN THE CLOSET": The Introductory workshop had 19 participants who were very interested in learning the "how-to" of tracing their family history. Ten participants then followed up with the "Hands On" session and caught the "Genealogy Bug". The next "Hands On" session for those who did not get to the first will be held on 15th April. Thanks to Danielle of Greater Taree Library for organising this Seniors Week event.

RESEARCH SERVICE: Research Form can be downloaded from Society website. Initial Research Enquiry \$20.00. Research enquiries will be published in our newsletter 'Fig Tree' All correspondence must be addressed to Secretary, PO Box 48 Taree NSW 2430

WHAT KIND OF MEMBER ARE YOU?

From the Journal of the Genealogical Society of Queensland INC Contributed by Tim Crossley

Are you an active member, the kind that would be missed?
Or are you just contented, your name is on the list?

Do you attend the Meetings and mingle with the flock?
Or do you stay away and criticise and knock?

Do you take an active part and help the Club along?
Or are you satisfied to be the kind that just belongs?

Do you push the cause along and really make things tick?
Or leave the work to just a few and talk about "the clique"?

Think this over, Member. You know the right from wrong
Are you an active Member? Or do you just belong?

EDITH JESSIE RICHARDSON 22-7-1884 to 1-7-1964

(Nee Green)

Eddie as she was commonly known was born the first child of 12 children of William Henry Green, commonly known as Harry and Isabella (Mills) Green of Knorrit Flat-Tiri in the Upper Manning, West of Wingham.

A Young Edie in her finery

On Brother Archie's horse

Edie in the 1960's -aged 80

With close friend Florence Muir

She married William Henry Richardson of Mondrook at his brother Richard's home Mondrook on 24th May 1905. Together they raised 10 children.

Lilian Hazel, known as Hazel

Elizabeth Isabel, known as Betty

Edith Evelyn, known as Evie

Elsie May, known as May

Alice Catherine, known as Cathie

Nellie Madge

Jessie Merle

William Frederick, known as Fred

Cyril Victor John, known as Jack or "Cracker"

Rosemary Margaret

Bill and Edie dairied and grew millet for broom making. Edie took on hard work on the farm as soon as the older girls were able to take control of the household and tend to the younger children. It was not unusual to find Edie repairing roads on the property which was known as "Wenonah." Edie maintained an attractive garden on the property together with a clay tennis court, the venue for many social tennis games and district competitions, between local farming community members. The old home has since been demolished.

As years passed and the family matured and left home (Betty and May became schoolteachers), Bill and Eadie moved to Church Street Harrington where a house was built on Pilot Hill.

Here they retired and joined the local community, Bill spending much time fishing and bowling. He was a foundation member of the Harrington Bowling Club. Edie was active in her garden, raising fowls and breeding Fox Terrier dogs. She attended most dances in the village hall with her close friend Florence Muir, a near neighbour.

Harrington, being a popular holiday and fishing village, meant that they were never short of visitors for holidays.

The writer, a Grandson, spent many a school holiday at Harrington and has fond memories of those past days, particularly before the advent of electricity when the old "Tilly" lamp had to be pumped up, to hiss along during the night.

Edie recalled nights prawning in the "corner" during the run out tide in the "dark" where a scoop would be set in a race among the rocks to catch prawns leaving the backwater for the ocean. Prawns would swim down the race with the run out tide and become trapped. On one such occasion a local male identity became a little too friendly and she had to warn him off with the gaff she carried to remove any octopus which entered her prawn scoop!

She told of fears of a Japanese landing during the war years and of strange marks appearing on the beach overnight, perhaps indicating that they may have come ashore investigating or seeking water.

Their youngest child Rosemary accompanied them to Harrington for some time and at age 18 and whilst visiting her eldest Sister Hazel at Bulli, was tragically killed in a car accident on 18th August 1947. Edie never really recovered from the shock of this death.

Edie was seldom idle. If not in her garden she would be in the kitchen or making beautiful poker work woollen floor rugs. I remember one featuring a large tiger.

Edie and Bill were always supportive of the “underdog” and allowed Gordon Scott a former Harrington milkman and identity to reside in a small cabin at the rear of their block. Gordon later moved on to become caretaker of the camping reserve where his residence was the former gaol in which notorious Jimmy Governor was held at Wingham. This was later removed to Wingham Museum where it is a feature to this day.

Edie at Yanco

Bill and Edie's health gradually deteriorated with Bill passing away 30th March 1960.

Edie spent her declining years with daughters across the State, basing herself mainly with daughter Hazel at Yanco near Leeton.

Edie passed away 1st July 1964 at Taree and was interred beside Bill at Tinonee Cemetery.

She was indeed a remarkable woman!

Reflections over 25 years as a member of The Manning Wallamba Family History Soc. Inc. Barbara Waters Member No.160

My interest in family history started with a very old death certificate of my great great grandfather David Irvine of Dingo Creek. I discovered he had been married three times , I only knew of his second marriage to Isabella Agnew, I began to ask questions and met with reluctance to answer them.

I attended the first meeting to form The Manning Wallamba Family History Society at Ormsby House in 1985. Meetings were later held at Manning Gardens School .I joined the society to help me with my own research.

The Late Mick Constable was the first president of the Society.

I remember the first Christmas party held in a member's back yard- this knowledgeable man talking of Scottish immigration in the Hunter and Manning Valleys.

Workshops were held in members homes and a lot of laughs re "skeletons on the cupboard" and of course Convicts, these were now fashionable to have on the family tree.

Resources were limited to a few fiche, reference books and the odd microfilm. Trips to use the IGI were taken to a private library at Port Macquarie. If more information was required you wrote to the Genealogical Service Centre at Carlingford enclosing one American Dollar noting the Batch Number. .A NSW certificate then cost \$10 without the index Number and \$8 with the Index Number.

The Genealogical Research Directory and Nick Vine Halls book "Tracing your Family History" were great tools .

Lots of letters written enclosing International Reply Paid coupons with the hope you would receive a reply. The late Nick Vine Hall's column in the "Land " newspaper "You Found Who In Your Family Tree" was another source of information; later journals from other societies and our own "Fig Tree" contained interesting information.

Trips to Sydney to the State Library, Archives and Society of Genealogists were eye openers, I remember at The Archives the Archivist apologised that the records I was looking for had not been microfilmed I was able to handle (with white gloves on) the original documents of land purchases of my family and letters written to the Colonial Secretary by Major Innes from the early days of Port Macquarie .

Family Historians continue to share information. We now have a Heritage Section in our library not a briefcase or a cupboard of earlier years. My family laughed when I was rostered on "Cupboard Duty" today. We have microfilm for so many records, computers with the world wide web information a mouse click away and lap tops to use wherever we go but we still have to double check our information for accuracy.

I have been fortunate to meet many of my extended family that I would never have met without my interest in family history and share our stories.

Memories of my First Years as a Member of the Manning Wallamba Family History Society, by Sue Robinson. Member No 127

I first heard that a group was forming in Taree to work on their family histories during 1985. We had just moved back to the area and my grandparents were giving me information about our family and urging me to find out more.

So, not knowing what I was letting myself in for, I signed up as one of the first members of the Manning Wallamba Family History Society in late 1985.

Our first newsletter, "The Fig Tree" was produced in April 1986, after much deliberation about the name. A couple of alternative suggestions were "The Man-u-Wall" and "The Meander Wall". Meetings were held at the Manning Gardens Public School in the evenings and the committee consisted of Mick Constable, Lyn McMartin and Kaye Skinner. The first local cemeteries were being transcribed under the leadership of Marilyn Easter (Gill). I can remember meeting with Lyn and the others at one of the cemeteries with my thermos and biccies, sun hat and lots of enthusiasm.

In September 1986 the venue for our meetings was moved to the GTCC Library premises and we even had our own research and archival cupboard, (1 only!!) at the library. We had the use of a fiche reader and were investigating the purchase of a film reader.

In those early days of the society we had to travel a lot to find research facilities. Places we went to were Newcastle and Sydney and also to a venue in Port Macquarie where we could look at convict indents on fiche. I'll never forget my excitement on finding the indent of my "first convict" Henry Deards. The information was vivid and very descriptive, telling me he had lots of scars and also a grand total of 16 tattoos over his body, including hearts, men with guns, hares and foxes, man on horseback and a woman on the inside calf of his left leg! The trip that day was really worthwhile and all our trips were good fun. We usually made a couple of car pools for the day with everyone chipping in.

It was great as well to listen to our visiting speakers. Janet Reakes was one of our most popular guests. She always had interesting information for both experienced researchers as well as raw beginners.

In 1987 the committee consisted of Tony Holland, Anne Calvert, Tina Smithers, Margaret Hooper and Marilyn Easter, (Gill). Our reference material and micro fiche and film collections were becoming quite extensive. We had two cupboards!! We raised money by holding street stalls, lamington drives and also bus trips to places like the Newcastle Library. Members were on duty in the GTCC library for a couple of hours on Monday, Tuesday, Thursday and Saturday.

In 1988 at the AGM, President Tony Holland extended our appreciation to the GTCC Library staff for their cooperation with our group in many areas and for the valuable use of their premises for our research facilities. Lots of things have changed since our group's beginnings, but many things remain the same. The hard work and dedication of members over the last 25 years has maintained the success of our group as a society. We continue to have fun while working on the serious and contagious business of genealogy, and we continue to have a mutually beneficial relationship with the GTCC and the library staff. Let's hope the good work and fun continues for another 25 years!!

LIBRARIANS' REPORT:

The journals and magazines have been accessioned and are **up to date**.

Journals received from: Armidale, Berrima, Cape Banks, Casino, Central Qld, Cessnock, Forbes, Gloucester, Goulburn, Hervey Bay, Lake Macquarie, Lithgow, National Archives of Australia, Newcastle, Port Macquarie, Qld FHS, Richmond Tweed, Rookwood - Friends of Rookwood not the actual people in there!, Scone & Upper Hunter, South Australia Genealogy, South East FHG South Australia, Sunshine Coast, Wingham Family History Group, Wyong Family History Group, Young & District

Magazine cancelled: British Family Tree as per last meeting

Magazines received: AFTC, Practical Family History, Who Do You Think You Are

3 reference books have been donated:

First Fleeter John Herbert His Life and Times by Cecil Herbert
Banksia Blessings & Reflections by Kenneth Drury
Careys from Clonmel by Max Carey.

A new accession register for 2010 has been started.

A new roster book for the next 2 quarters (29th March to 25th September) is in the day cupboard and a copy of the 2nd quarter is now on the notice board. As usual all help will be greatly accepted for roster duty, the Society's direct line phone number is included on the roster.

At the last meeting the wishlist was presented and set up on the notice board for the perusal of members and at this meeting will either be given the go ahead or denial for purchase.

A new Researchers' Register will be in use next week with a different coloured cardboard (orange rather than the yellow) members just sign in the usual way- nothing has changed there.

A lockable 2 drawer metal filing cabinet was donated by a member and is now in use by the librarians for storage which now leaves the librarians old space in the day cupboard so it now can be put to better use.
